

### Directions For Filling Out the Oder Form:

In your Expression Booklet your image number is listed beneath the image.

Use this entire number/word sequence in the spaces on the order form. Example: IMG 4568 Copy

Your on line gallery can be found at [lsp.smgmug.com](http://lsp.smgmug.com)

When ordering from your on line gallery your image number is listed BENATH the picture.

DO NOT use the number listed above it – this number is a counter only.

Be sure to include the entire word/number sequence.

### How Many Poses Can I Pick From?

We don't require that you pick from any certain amount of poses. However, we only air brush the images you choose for your 8x10's and larger. The air brushing that is included in your package are for light blemishes only.

Any additional corrections are at a rate of \$35.00 per hour.

For extensive air brushing please consult the studio and we can give you an estimate of the cost.

Can I Substitute or Divide The Quantities?: No – the packages are ordered as they are grouped on the order form.

### Can I Order My Image In Black & White?

We will give you a few examples of images in black & white in your expression booklet & your on line gallery.

However, if you have a favorite color picture that you like but want to order it in black & white or sepia please just make a note of that on your order form next to the image number.

There is no additional charge for this.

### Choosing Your Yearbook Composite:

Use good judgment when selecting your image – this is in a book FOREVER.

Lean towards a timeless, classic image for your yearbook selection.

Color or black & white is acceptable.

When choosing your yearbook composite please select one of your vertical head and shoulder images.
